Notice of Inventory Completion for Native American Human Remains from Hawai'i in the Possession of the University of Pennsylvania Museum of Archaeology and Anthropology, University of Pennsylvania, Philadelphia, PA

AGENCY: National Park Service.

ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains in the possession of the University of Pennsylvania Museum of Archaeology and Anthropology, University of Pennsylvania, Philadelphia, PA.

A detailed assessment of the human remains was made by University of Pennsylvania Museum professional staff in consultation with representatives of Hui Malama I Na Kupuna O Hawai'i Nei, the Hawai'i Island Burial Council, and the Office of Hawaiian Affairs.

In 1893, human remains representing two individuals were removed from "a lava cave on the island of Hawai'i" by Dr. J.M. Whitney. At an unknown date, Dr. C.N. Pierce donated these remains to the Academy of Natural Sciences of Philadelphia, PA. In 1966, these remains were placed on loan to the University of Pennsylvania Museum of Archaeology and Anthropology. In 1998, one of these individuals was officially transferred to the collections of the University of Pennsylvania Museum. In 1999, the second individual was officially transferred to the collections of the University of Pennsylvania Museum. No known individuals were identified. No associated funerary objects were present.

Based on original accession information, these individuals have been identified as Native Hawaiian. Geographical and historical evidence provided during consultation by Hui Malama I Na Kupuna O Hawai'i Nei, the Hawai'i Island Burial Council, and the Office of Hawaiian Affairs indicates cultural affiliation between these human remains and present day Native Hawaiians.

Based on the above mentioned information, officials of the University of Pennsylvania Museum have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of

two individuals of Native American ancestry. Officials of the University of Pennsylvania Museum have also determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and Hui Malama I Na Kupuna O Hawai'i Nei, the Hawai'i Island Burial Council, and the Office of Hawaiian Affairs.

This notice has been sent to officials of Hui Malama I Na Kupuna O Hawai'i Nei, the Hawai'i Island Burial Council, and the Office of Hawaiian Affairs. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Dr. Jeremy Sabloff, the Williams Director, University of Pennsylvania Museum of Archaeology and Anthropology, 33rd and Spruce Streets, Philadelphia, PA 19104-6324; telephone: (215) 898-4051, fax (215) 898-0657, before July 12, 1999.

Repatriation of the human remains to Hui Malama I Na Kupuna O Hawai'i Nei, the Hawai'i Island Burial Council, and the Office of Hawaiian Affairs may begin after that date if no additional claimants come forward.

Dated: June 1, 1999.
