## Tours: Morocco—Treasures of Culture and Architecture

May 6 – 20, 2000

Piotr Kostrzewski, specialist in Berber culture, will introduce us to exotic Morocco, a land of ancient medinas girdled by massive ramparts, of adobe casbahs and sultans' palaces, of colorful markets and delectable cuisine.

Upcoming: a tour to Uzbekistan to visit some of the most remote oases on the Silk Road, Samarkand and Khiva, beloved of Tamerlane. Scheduled for Fall of 2000.
