THE  
Academy of Natural Sciences  
OF  
PHILADELPHIA.  
LOGAN SQUARE.

Philadelphia ..... 189

Dear Sir

Will you please  
give the bearer  
Frank Swain the  
two jars containing  
the sloth bones -  
which I am going  
to show at the  
Phelan Soc. He will  
bring them to me -  
Very truly  
yrs

H. C. Merriam

for the three -  
Could you put  
it on Museum  
act. also saw the  
item abt \$5 -  
for printing prelimi-  
-inary Rept.

of Tennessee  
I'll do. I illustrated  
this at my own expense.  
will send bills.  
Saw Prof Comerille  
today - & he is  
very anxious that  
you send a  
carved Indian

Saturday  
Dear Culver  
3 sloth bones  
- very interesting  
specimens with  
ligaments attached  
were so suffering  
in the air that  
I bought 3 per -  
- mittedly sealable  
jars for them  
paying \$1.29

Stone of his to his  
Office 124 N. 7th  
(Office hours 10 to 5)  
on Monday Sure as  
he is off on Tuesday.

Respectfully

R. C. Munn.
